Applicant also changed the Examiner's Amendment to incorporate the claimed subject matter in the Examiner's proposed claim amendment, which was presented to the Applicant in an email dated July 8, 2009. Applicant invites the Examiner to contact the undersigned with any questions or comments.

INTERVIEW SUMMARY

Applicants' attorney thanks Examiner Chai for the telephonic interview dated July 8, 2009. During the telephonic interview, the Examiner presented a proposed claim set with the intention of placing the claims in condition for allowance.

Examiner Chai filed an interview summary along with the Notice of Allowance on August 10, 2009. While the matters discussed in the interview were not believed to be substantive, and the Examiner's Amendment is a sufficient written recordation of the substance of the interview under MPEP § 713.04 and 37 CFR § 1.33, this interview summary is being filed in an abundance of caution in order to assure that the record is complete.
